

>> NEW BOOK WHY HUMMINGBIRDS?

# What's the word, hummingbird?

**Jon Dunn**

The glitter in the green, a *thrilling new book from a well-known nature and travel writer, explores and celebrates the world of hummingbirds. Here the author explains his choice of subject.*

All photos are by Jon Dunn (~@ jondunn.com).

**1** Juan Fernandez Firecrown *Sephanoides fernandensis*, Isla Robinson Crusoe, Islas Juan Fernández, Chile, March 2019. The male (right) of this Critically Endangered species is displaying to the female (left).
